

**April 8, 2014**

**TO THE ATTENTION OF HCSO SHERIFF DAVID GEE & OTHERS:**

**Today based on my April 1, 2014, letter to you and “Others”, I requested an email and to be shown a copy of the arrest warrant of Your Co-Participants and Yourself within 7 days of my letter last week.**

**Instead I received another visit from HCSO Detectives John McDarby and John Palomino(SP) and while the visit this time was more cordial and showing they are interested in my facts being confirmed, I still did not see the arrest warrants that you and your “law enforcers” have more than enough information to obtain said warrants!**

**In my April 1, letter in the conclusion is stated the basis of the ongoing RICO Criminal Acts.**

**IN TRANSCRIPTS OF MY COURT CASES OVER THESE 20+ YEARS ARE THE CONNECTIONS NEEDED TO SHOW THE COLLUSION BY Judges doing EXPARTE collusion based on conversations with others receiving information in or out of the “RECORD”!**

**Also find out who stopped my wearing a wire and catching Chapin and Popper admitting in the 1990’s after the judge Powell and judge Stroker hearings to the crimes against me as the 5<sup>th</sup> DCA Orfinger Court admitted in 9/1/2006 that revealed all the conspiracy and coverup as I told in my legal briefs in 1993 and since to the court of judge Rom Powell and all other lawyers and courts! From my investigation it was U.S. Attorney Robert O’Neill to whom Chapin said was a relative of the O’Neill, Chapin, ET AL**

**firm who needed me to find the restaurant locations for which they were to pay me \$5000.00 to shut up! It to me and others shows that Bush(s), O'Neills(s), Chapins(s), Beck(s), Dr. Lon & Mrs. Lynn, and others as individuals as named in FRAP 26.1 and in my latest April 1, 2014 letter conspire to do frauds to conceal the criminal acts of Charles Lane Jr. and Charles Lane Sr. It was even Bruce Chapin in 1992 admitted who bribed him and his wife, Linda as the scheme of Lane(s) and the Quid Pro Quo confirms the relationships!**
